# Particles of Time

Glyn West

(2021)

Instruments: Clarinet in Bb and Piano

Score in C

Duration: 10:28

## **Programme note**

The title comes from a quotation by Khalid Masood

*“The real fundamental building blocks of the universe and matter are not indivisible particles, but infinitely divisible moments in time.”*

The pieces were written as challenging repertoire for advanced performers.

## **Performance instructions**

The six pieces are designed to be performed as a complete set with pauses in between each work.
